## ISMS POLICY STATEMENT

ThinkMarble Ltd is totally committed to maintaining effective Cyber Security through use of our Information Security Management System (ISMS), designed to meet the requirements of ISO27001:2013

We will:

- **Communicate:** make the details of our policy known to all interested parties;
- **Do the right thing:** comply with all legal requirements, codes of practice and other requirements applicable to our activities;
- **Invest:** provide all the resources of equipment, trained and competent staff and anything else needed for our objectives to be met;
- **Train:** ensure that all our employees have the knowledge and understanding they need to do their jobs effectively;
- **Improve:** use our risk-based ISMS to seek continual improvement in security.

This information security policy provides a framework for setting, monitoring, reviewing and achieving our objectives, programs and targets.

Andy Miles,  
CEO
